## Bill Peregrine

**Certified Sustainable Landscape Professional Providing Following Talks:**

**Low Maintenance Landscapes, Part 1 of 2 Saturday, January 6th, Noon – 1PM**

Oh, the drudgery of pulling weeds, cutting the grass, hedging the plants, and just trying to keep up with Mother Nature's growth! There must be a better way... Yes! Low maintenance landscapes. Start reducing your labor and enjoying your landscape more with simple tips like putting the right plant into the right place, grouping plants for their watering needs, reducing how much fertilizer you use, lowering your watering – and your bill, mow your yard 20% faster, and take

advantage of Nature's free plant food. These are just a few of the simple things you can do today to make your landscape a place of pride and joy.

**Low Maintenance Plants, Part 2 of 2 Saturday, January 6th, 3PM – 4PM**

Beautiful plants make our gardens special. Unfortunately, picking a finicky plant and putting it in the wrong place can cause us years of untold hours for pruning and watering care. Aren't there plants that look great but take care of themselves? Yes! In Part Two of our Low Maintenance Landscapes series we are talking all about Low Maintenance Plants. Join us as Bill Peregrine shares his experience of working with plants over his 25-year career and which are the winners in ease of care and brilliance of character.

**Robert Sims - BPI Certified Home Energy Analyst talks about:  
"Save a dollar - Kill-a-Watt" Sunday JAN 8th 11AM – Noon**

A brief introduction to a home energy evaluation - what it is, why it can be beneficial - prioritizing home energy projects - De-mystifying energy saving light bulb options.

## Evan Leonard

**Artisan Electric Inc. New Solar Incentives in Washington Means Savings for You!  
Saturday, January 6th 11AM-Noon**

Do you care about the planet we're leaving behind for future generations? And more importantly, do YOU want to help solve climate change? If so, please come listen to Artisan Electric's presentation about Solar Incentives in Washington where you'll learn how you can reduce your carbon footprint at home or at work with solar. We'll explain the technology, how it works, how it connects to your home and the electrical grid. We explain the Federal and the **NEW** Washington solar incentives that make solar more affordable than ever. You'll leave the session feeling empowered about what you can do as an individual to help save the planet and some money for yourself. To learn more, please visit [www.artisanelectricinc.com](http://www.artisanelectricinc.com) or call 206-557-4215.

## WHAT SPECIAL FEATURES WILL BE DISPLAYED?

**J.A.C. Landscaping** will sponsor Ciscoe Morris' seminar with a 400 sq. ft. unique garden display. Kitchen and Bath remodeling displays, Plant and Flower Sales and many other Home Improvement Contractors and Services, as well as Fun and Unique Vendors will be at the show.
